

BEING DAD 2

BRINGING THE BABY HOME

Inspiration & Information for New Dads

Genre: Documentary/Parenting and Childcare
Age Range: Birth through Toddler and Preschool
Widescreen Not Rated Run Time: 99 min

Follow the transformation in the lives of dozens of new dads from around the world as they share their experiences, missteps and advice on becoming a father. Surprising, funny, poignant and revealing, Being Dad 2 will help men everywhere better prepare for the joys and challenges every new father faces once the baby comes home. You'll also follow six new dads home for a deeper look into how they've successfully blended career and home while embracing their new role as a dad. A must-see for every father of infants and toddlers and a revealing look for women into the male perspective on being a dad.

Targeted to parents of newborns through preschoolers, Being Dad 2 Includes advice and insight from over 40 dads, plus a deeper look into the lives of several dads who have integrated the new role of fatherhood as a pivotal part of their everyday lives.
