She's ready to pop! Are you ready to deliver? Got your route mapped? Birth-plan in hand? Bag packed?

This DVD is the guy's guide to the biggest birthday of your life. From the trip to the hospital to the trip home and everything in between, the Due Dads give you the inside scoop on labor and delivery. Laugh along with a pair of veteran dads that have cut the cord and lived to tell the tale.

"Push" play and be ready to "breathe" easier! By the way...are your camera batteries charged?

Entertaining, informational, and funny this DVD helps to eliminate fears and concerns new dads may have about the birth process, and offers advice on how to prepare for the arrival of baby.
